Restoration of the Inam lands attached to the Basaweswara and Halalingeswara ~~LAST REFERENCE~~ Temples at Lyami in the Chimmangupatna Taluk.

Letter No. 16 dated 2nd July 11th July 1904 ~~from~~ and Docket-no 28 dated 17th August-1904 from the Dy Comr and the Inam Superintendent respectively.

The Basaweswara and the Halalingeswara temples at Lyami in the Chimmangupatna Taluk are ancient Institutions endowed with the marginally-noted Inam lands measuring 15 acres and 24 guntas, assessed at Rs 45-12-0. The Land Jodi, Tund and other cesses payable to Government on these lands amount to Rs 29-2-9. In 1897

The then Amildar of the Channarayapatna Taluk (now Kasavinagar) having found that some of the lands had been in the unauthorized possession and enjoyment of the residents of the village and that the temple had been in a state of disrepair, made the following arrangements on his responsibility with a view to accumulate sufficient funds for the repairs:—

(i) Out of 8 numbers, the lot- only two in the possession of the Jains on condition of his paying the full assessment thereon viz Rs 14-14-0 and performing the puja regularly, meeting the cost of daily neivedya, Deeparadhane &c from his pocket.

And (ii) the remaining 6 numbers out were leased to others on condition annually to the temple of their paying 17½ candies of paddy and 26-3-0 in cash

2. This arrangement the Auditor submitted to the Dy Commr for his approval in April 1897, but no orders were passed by the latter till July 1902, when the Dy Commr (after the lapse of more than 5 years) on Devaraj's appeal approved of the arrangement for a period of 5 years. The matter did not come to the notice of Govt. The arrangement made by the Auditor 1897 was however brought into effect by him from that very date and it has continued for these 7½ years — The accumulated Savings effected up to the 25th April 1904 amount to Rs (982-8-10) which is reported to have been invested in the Govt Savings Bank. The Auditor recommends the continuance of the present arrangement but the Dy Commr has not given any opinion of his own on this point.

From

3. From the records it is further observed that the Sujanee has been repeatedly urging the restoration of the lands to him since they were taken away from him and that no notice was taken of his prayers by the Local Officers.

4. In his petition addressed to Government on the 29th February 1904, the Sujani Bayamma prays that the accumulated Savings of Rs(900) and may be ordered to be utilized towards the repairs of the temples and that the temple lands be restored to him -

5. In a similar case in the same Taluk, when the temple lands had been attached by the same Amildar, the Govt. ordered their immediate restoration to the Sujanees concerned, observing at the same time that the attachment should not be

Sir,

With reference to your Official Memorandum No 2567 dated 29th February 1904 and, docket No 3799 dated 1st June 1904 forwarding for report petitions from Basava Pujari of Basaveswara and Hole Lingeswara Temples at Sami in the Chamarayapatna Taluk praying for the restoration of the Temple Inam lands to his possession, I have the honour

to

to state as follows:-

The said Inamdar Institution-s are endowed with Inam lands consisting of 8 Survey numbers, measuring in all 15-24 acres Guntas assessed at Rs 45-12-0 as detailed in the margin.

(i) out of the 8 numbers belonging to the temple only two numbers viz nos 67 and 116 carrying an annual assessment of Rs 14-14-0 were left in the possession of the Pujari, on condition of his keeping the full assessment and performing puja and other services regularly in the temples keeping in addition the cost of daily neivedya Deeparadhane &c.

And (ii) the remaining 6 numbers were leased out to others on condition annually of their keeping to the temple

temple 17½ cundies of

paddy and Rs 26-3-4

in cash.

2. This arrangement,
it was
although reported to
the Dy Commissioner by
the Auditor in April 1897,
did not receive the sanction
of Head Office till July 1902,
after a delay of more than 5 years,
when it was approved and ordered to be continued
for a period of 5 years – Even then
the fact was not reported
to Government and the
arrangement has continued
for these 7½ years, resulting in
a saving of Rs 982-8-10 which has been
deposited in the Government
Savings Bank up to the
25th April 1904.

3. The Rajah has been
repeatedly pressing for
the

the restoration of all the lands to him, as he has ~~suppose~~ funds have accumulated for the repairs of the Instn but the Builder is in favour of continuing the existing arrangement and the Dy Comr has not given any opinion of his own -

been performing the services regularly and as sufficient

4. The Government observe that it was an irregular procedure on the part of the ~~Builder~~, Dy Comr Mr Downing was to have given effect to the proposals of the Builder Mr Kesavierayar, without the sanction of Government and it is to be very much regretted that

that no action was taken
on the Auditor's report
for more than five years —
The Gujarat Committee
unable to suffer for an
indefinite period, especially being that
sufficient funds ~~have~~
~~accumulated~~ viz Rs 982-8-10,
have accumulated for
the repairs of the Gates —

5. In these circumstances
the Government are pleased
to direct that all the
lands belonging to the
temples be at once restored
to the Gujarat,
including, together with the
produce of the ~~current~~ last-
year, as already directed
in this Office Docket-
no 3799 dated 12th June 1904.
A Mutchulika should

be obtained from him
for the proper maintenance
of the temple buildings
and the due performance of pujas &c
in future -

6. The accumulated
savings of Rs 982-8-10
should be utilized for
the benefit of the Institution,
and an Estimate ~~should~~
be submitted for their
repairs - (7) The Govt
further direct that all
cases of attachment of
the temple Inam lands
should be reported to Govt and
their sanctions sanctions
obtained in future.

Out of the 8 numbers belonging to the temple, only two numbers *viz*, Nos., 67 and 116 carrying an annual assessment of Rs. 14-14-0 were left in the possession of the pujari, on condition of his paying the *full* assessment and performing puja and other services regularly in the temples, paying in addition the cost of daily Neivedya Deeparadhane &c., and (2) the remaining 6 numbers were leased out to others on condition of their paying annually to the temple 17½ candies of paddy and Rs. 26-3-0 in cash.

2. This arrangment, although it was reported to the Deputy Commissionr by the Amildar in April 1897, did not receive the sanction of that officer till July 1902 when after a delay of more than 5 years, it was approved and ordered to be continued for a period of 5 years. Even then the fact was not reported to Government and the arrangement has continued for these 7½ years resulting in a saving of Rs. 982-8-10 which has been deposited in the Government Savings Bank up to the 25th April 1904.

3. The pujari has been repeatedly praying for the restoration of all the lands to him as he has been performing the services regularly and as sufficient funds have accumulated for the repairs of the Institutions; but the Amildar is in favor of continuing the existing arrangement and the Deputy Commissioner has not given any opinion of his own.

4. The Government observe that it was an irregular procedure on the part of the Deputy Commissioner Mr. Devaraj Urs to have given effect to the proposals of the Amildar Mr. Kesaviengar, without the sanction of Government and it is to be very much regretted that no action was taken on the Amildar's report for more than 5 years. The pujari cannot be made to suffer for an indefinite period, especially seeing that sufficient funds *viz.*, Rs. 982-8-10, have accumulated for the repairs of the institutions.

5. In these circumstances, the Government are pleased to direct that all the lands belonging to the temples be at once restored to the pujari, together with the produce of the last year, as already directed in this office docket No. 3799, dated 1st June 1904. A mutchalika should be obtained from him for the proper maintenance of the temple buildings and the due performance of puja etc, in future.

6. The accumulated savings of Rs. 982-8-10 should be utilized for the benefit of the institutions, and an estimate submitted for their repairs.

7. The Government further direct that all cases of attachment of the temple Inam lands should be reported to Government and their previous sanction obtained in future.
